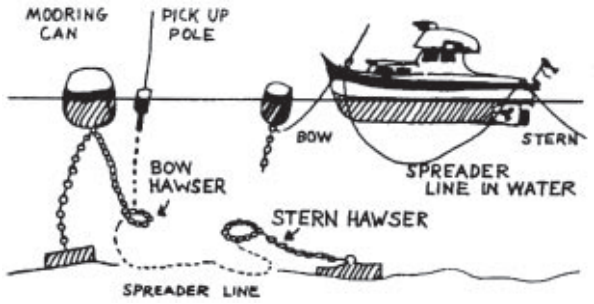
ALL EMERGENCY SERVICES Dial 911

The City of Avalon welcomes you and hopes your stay will be enjoyable. Your cooperation is requested to keep our harbor and beaches clean and beautiful. Please visit us often.

HARBOR PROCEDURES & REGULATIONS

1. All moorings are on a first-come, first-serve basis. Upon arrival, please stand by the harbor entrance for mooring assignment from a patrol boat. No mooring work is done over VHF.
2. **On the day of departure, moorings must be vacated by 9:00 am.**
3. **Avalon is a NO DISCHARGE area**. No sewage may be discharged whether treated or untreated. This law is strictly enforced.
4. Service boats will make daily trash pick-ups free of charge twice daily during the summer months and on weekends in winter months. Plastic trash bags may be obtained from the service boat or Harbor Master's office.
5. To ensure a peaceful coexistence, all generators must be secured at 10:00 pm nightly and not be started before 7:00 am.
6. The mooring you are assigned is not guaranteed. You may have to relocate daily. If you are required to relocate, a patrol boat will contact you between 7:30 am – 9:00 am the day you are required to move.
7. It is illegal to leave Avalon and leave your vessel unattended.
8. Anchorage is located west of the red jetty light. You must anchor at least 300' away from any dive park or mooring can. Plan on a depth of 80'–100'. This area is not patrolled and you anchor at your own risk.
9. Water on the island is precious and conservation will be appreciated.
10. All floats, with exception of the Shore-boat Float, may be used for loading and unloading. Time on float is limited to 10 minutes only. No vessel may be left on a float unattended.
11. There is a fine for an opened container of alcohol on the streets of Avalon. (This includes the Pier and floats.)



MOORING USAGE

1. Pick up pole, attach Bow Hawser to Bow Cleat. (Hawser is located approximately 6' below the surface of the water.)
2. Run Spreader Line to stern of boat. (Spreader Line is attached to Bow Hawser.)
3. Take all slack out of Spreader Line and attach Stern Hawser to Stern Cleat.
4. Re-check Bow and Stern Cleats to make sure you are moored securely. Drop slack Spreader Line into water.

The tide will effect your mooring. Lines will need to be adjusted periodically to take up slack or to be let out.

Upon leaving the mooring, untie stern, then bow lines and drop into water.

Allow enough time for the lines and spreader to sink free and clear of the propeller of your vessel to prevent fouling.

Mooring Fees:

Boats 30' and under	$29.00 per night
Boats 31' to 39'	$32.00 per night
Boats 40' to 49'	$39.00 per night
Boats 50' to 59'	$49.00 per night
Boats 60' to 69'	$64.00 per night
Boats 70' to 79'	$79.00 per night
Boats 80' to 89'	$90.00 per night
Boats 90' to 99'	$106.00 per night
Boats 100' and over	$120.00 per night

Mooring fees are payable on arrival by cash, check or credit card to the patrol boat. All mooring fees must be paid before departure. Unpaid fees will be doubled.
