**Membership Program Choices (select one)**

<input type="checkbox"/> <b>Option 1: Monthly Minimum Program</b> This membership program is designed for the sailor who plans on sailing every month. With this program, we collect \$45 on the first of the month, all of which may be applied as a credit towards the cost of boat rentals during that month. The \$45 is a monthly minimum and does not roll over to the next month.	<input type="checkbox"/> <b>Option 2: Sailing Bank Accrual Program</b> This program is designed for sailors who may not be able to rent a boat every month. With this program, we collect \$45 on the first of the month. \$20 is retained by the Club as dues and \$25 may be applied towards rentals. In any month you don't use the \$25 credit, the money rolls over to the next month, accumulating in your sailing bank until you use it. We limit the sailing bank accumulation to a maximum of \$300, which is a year's worth of credits. So, as long as you go sailing at least once a year, you'll never miss out on any of your monthly sailing bank contributions.
